## *1983 baseball team*

# Seniors will be missed

The year 1983 will be remembered as a red-letter year for baseball at Appomattox County High School. The Raiders finished the season as Region III runnersup, and won both the Seminole District and district tournament crowns enroute to an 18-4-1 season.

Six members of the team received all-district honors: Rodney Bryant (outfield), Greg Mayberry (pitcher), Gary. Ferguson (outfield), Mike Jackson (designated hitter), Paul Johnson (third base) and Kevin Ferguson (pitcher).

In addition, Mayberry was named the Seminole District's player of the year.

Appomattox also had four players on the 10-man All-Area baseball team chosen by the Lynchburg News sportswriters. Jody Williams (second base), Rodney Bryant (outfield), Gary Ferguson (outfield) and Greg Mayberry (pitcher) were all selected as members of this team. And, Mayberry was selected by the sportswriters as the area's player of the year.

Three members of the Raider team were honored by the fellow players at the team's banquet which followed the season's end. Greg Mayberry was chosen the best pitcher and most valuable player, Rodney Bryant was cited as the best hitter, and Alan Edmonds received a trophy as the most improved player.

Raider coach Howard Clabough noted that this team was "led by the best group of seniors I've ever worked with, on or off the field." He noted that the players who graduated this year helped Appomattox win district championships in 1981 and 1983, district tournament championships in 1981 and 1983, and a regional championship in 1981.

"The team's record since this group of kids (the class of 1983) were sophomores was 50-15," the coach added. Ace pitcher Greg Mayberry compiled a 22-5 record in his three varsity years, Tim Bennett had a 14-3 record, and Kevin Mitchell compiled a 10-5 record during his varsity years.

MEMBERS OF THE netters and the Lobbers pause for a photo after a match following the recent Lipton Iced Tea Tennis Classic at FRCC.
